

RISE BEYOND

### OUR STORY

Founded in 2014

Whitelion has embarked on an inspiring journey to redefine modern living. Our story is one of relentless innovation and unwavering commitment to creating cutting-edge smart switches and home automation products. Whitelion's passion for transforming traditional living spaces into intelligent, connected world continues to drive us forward, shaping the future of smart home technology

Our Goal

We aim at making your life efficient at Home and Workplace through Automation

### THE PURPOSE

Elevate everyday living through innovative smart switches and home automation solutions. We are dedicated to enhancing convenience, boosting energy efficiency, improving safety and security, promoting accessibility, and enabling customization in your living space, all while striving for a greener and more connected world

### PREFACE

Amid India's swift socio-economic growth and rising living standards, the real estate sector is experiencing a notable surge. The palpable confluence of urban development, infrastructure evolution, and a heightened demand for modern living solutions is unmistakable

In the era of rapid technological advancement, the shift from traditional light switches to smart switches and home automation goes beyond a mere upgrade—it's a lifestyle necessity for modern society. This transformation embodies contemporary living, aligning seamlessly with the increasing emphasis on sustainability and convenience. Smart switches offer diverse benefits, including energy savings, enhanced safety, and the luxury of effortless control through touch or voice commands. This cultural shift makes smart switches an integral part of the modern lifestyle, catering to a broad audience rather than just the tech-savvy

In this dynamic landscape, Whitelion Systems emerges as a beacon of innovation, adapting to the evolving needs of modern society. Our commitment to providing the best products and solutions echoes with the demands of a rapidly changing world. As we embrace the future, Whitelion Systems stands at the forefront, delivering superior home automation solutions that encapsulate the essence of progress and luxury, reflecting a lifestyle necessity for the modern era

### OUR USPs

#### Made in India with Global Expertise:

Emphasize the pride and quality assurance that comes with manufacturing in India. We are showcasing a blend of local manufacturing excellence and global technological innovations.

#### Unmatched Quality:

Excellence in every touch. Experience unparalleled quality with our smart switches

#### Innovative Solutions:

Innovative aspects of our smart switches, such as energy efficiency, ease of use, and compatibility with various smart home systems

#### Human Touch:

Our smart switches are designed to respond accurately and exclusively to human touch

#### Service:

Our commitment goes beyond unmatched after-sales service; we take pride in educating customers about product usage and providing guidance tailored to their specific needs

## LOVE US

As an industry expert in home automation, I have seen many products, but Whitelion stands out for its exceptional quality and innovative features. Their smart switches are not only user-friendly but also beautifully designed. They are a leader in the market, setting high standards for the industry

Whitelion, which specializes

in smart switch manufacturing

and is known for excellent

services and customer

support. I would like to

recommend Whitelion for your

Hardik Modi

Client

Aditya Sutaria Architect

product and services

Client

Excellence in smart touch switches. I experience the best in home automation

Adarsh Ahir Client

Working with Whitelion has significantly elevated my architectural projects. Their smart switch advanced and solutions home automation systems integrate seamlessly into the spaces I design, enhancing both aesthetics and functionality. The user experience is intuitive and sophisticated, making Whitelion's products a top choice for my clients

Shailesh Dhanani Architect

Timely service, seamless smart switch functionality, and a feature-rich app for effortless control and enhanced usability. Highly recommended for a smooth, efficient, and satisfying experience

Mihir Chouhan

Client

#### "

Received on-time fast, service smooth-working smart switch. The app control is top-notch, offering a variety of useful functions that enhance the overall experience. Highly satisfied and recommend to others

Ajit Rajput Client

I recently upgraded my home with Whitelion smart switches and I'm thoroughly impressed. The design of these switches is sleek and modern, perfectly complementing my home's aesthetics. Not only do they look great, but the ease of setup was a pleasant. surprise. It took just a few minutes to get everything up and running

experiencing

Mithun Mahamuni Client

I recently had the pleasure of

home automation services,

and I must say, I'm thoroughly

impressed! The quality of

Sanjay Mali

their service is top-notch

Client

Whitelion's

#### "

One of the standout features for me is the touch responsiveness. It's very smooth and responsive, providing a seamless user experience. Moreover, when it comes to value for money, this product hits the mark perfectly. It's rare to find

Aman Solanki Client

#### 

satisfaction is evident

Ashish Rangera Client

The support team is not only highly responsive but also incredibly knowledgeable, providing swift and effective solutions to any queries or issues I've encountered. Their dedication to customer

Touch switch is so helpful for old ages, very good quality

#### TRUSTOF

### AIR CARE

7 Years of on site replacement warranty on manufacturing defects

1st year free of cost replacement

www.whitelion.in/terms-conditions

### Terms & Conditions:

- 1)The warranty starts from the date of purchase or 6 months after manufacturing, whichever is later. It includes free labor, transport, and/or replacement parts for defects in materials or manufacturing faults. The warranty is valid under conditions of normal household or commercial use
- 2) The warranty does not cover minor imperfections that meet design specifications or do not affect functionality. There are no guarantees for satisfaction, performance, or error-free operation. Express or implied warranties, including fitness for a particular purpose and merchantability, are excluded to the extent allowed by law
- 3)To claim the warranty, you must present the original invoice or valid proof of purchase. The warranty does not cover products without registration, with altered or illegible purchase proof. Defects must be reported within 7 days of purchase
- 4) Warranty service is available during operation hours and will be provided on-site or at the customer service center, depending on the warranty type. The warranty will be suspended if the customer defaults on payments to the dealer/retailer/distributor
- 5)The warranty does not cover damage due to external causes, misuse, or unauthorized repairs. If a product part needs repair, it may be replaced with a new or refurbished part. The warranty is non-transferable and valid only for the original owner in India. We reserve the right to charge for services outside the warranty scope and to change the terms without notice

3M	3 switches with 1 master control	220-240V AC	3	Up to 1000 Watt	Up to 500 Watt	67.5 x 45	73.5 x 45 x 28	CE compliance	Yes	CapSense	0°C - 60°C (32°F to 140°F)	1,00,000 Operations	IR remote, Air Home app, Google Home, Alexa	IP20	UL94 FR4
3SC	4 buttons scene control	220-240V AC	0	NA	NA	67.5 x 45	69 x 45 x 29.5	CE compliance	No	CapSense	0°C - 60°C (32°F to 140°F)	1,00,000 Operations	IR remote, Air Home app, Google Home, Alexa	IP20	UL94 FR4
4F	3 switches and 1 fan regulator with 4 speeds and 1 master control	220-240V AC	3	Up to 1000 Watt	Up to 500 Watt	90 x 45	103 x 45 x 33.10	CE compliance	Yes	CapSense	0°C - 60°C (32°F to 140°F)	1,00,000 Operations	IR remote, Air Home app, Google Home, Alexa	IP20	UL94 FR4

All products are available in Black & White Color

### POSH

### TECHNICAL PARAMETERS

All products are available in Black & White Color

Module Name	Description	Input rating	Output channels	Resistive load capacity	Inductive load capacity	Dimensions (Touch) (mm)	Dimensions (Power) (mm)	Standards (testing has been done)	2 Way feedback	Technology	Operating Temperature	Product Lifecycle	Compatibility	IP ratings	PCB quality grade
4HIN	2 switches and 3 buttons of hospitality control with 1 master control	220-240V AC	2	Up to 1000 Watt	Up to 500 Watt	90 x 45	100 x 45 x 31	CE compliance	Yes	CapSense	0°C - 60°C (32°F to 140°F)	1,00,000 Operations	IR remote, Air Home app, Google Home, Alexa	IP20	UL94 FR4
4HISC	2 buttons scene control and 3 buttons of hospitality control with 1 master control	220-240V AC	0	NA	NA	90 x 45	100 x 45 x 31	CE compliance	No	CapSense	0°C - 60°C (32°F to 140°F)	1,00,000 Operations	IR remote, Air Home app, Google Home, Alexa	IP20	UL94 FR4
4HO	1 bell and 3 buttons of hospitality control	220-240V AC	1	Up to 1000 Watt	Up to 500 Watt	90 x 45	73.5 x 45 x 28	CE compliance	No	CapSense	0°C - 60°C (32°F to 140°F)	1,00,000 Operations	IR remote, Air Home app, Google Home, Alexa	IP20	UL94 FR4
4M	5 switches with 1 master control	220-240V AC	5	Up to 1000 Watt	Up to 500 Watt	90 x 45	89.5 x 45 x 30	CE compliance	Yes	CapSense	0°C - 60°C (32°F to 140°F)	1,00,000 Operations	IR remote, Air Home app, Google Home, Alexa	IP20	UL94 FR4
4SC	6 scene control	220-240V AC	0	NA	NA	90 x 45	69 x 45 x 29.5	CE compliance	No	CapSense	0°C - 60°C (32°F to 140°F)	1,00,000 Operations	IR remote, Air Home app, Google Home, Alexa	IP20	UL94 FR4
6F	5 switches and 1 fan regulator with 4 speeds and 1 master control	220-240V AC	5	Up to 1000 Watt	Up to 500 Watt	135 x 45	123 x 45 x 29.5	CE compliance	Yes	CapSense	0°C - 60°C (32°F to 140°F)	1,00,000 Operations	IR remote, Air Home app, Google Home, Alexa	IP20	UL94 FR4
6M	7 switches with 1 master control	220-240V AC	7	Up to 1000 Watt	Up to 500 Watt	135 x 45	115 x 45 x 31	CE compliance	Yes	CapSense	0°C - 60°C (32°F to 140°F)	1,00,000 Operations	IR remote, Air Home app, Google Home, Alexa	IP20	UL94 FR4
8F	6 switches and 1 fan regulator with 4 speeds and 1 master control	220-240V AC	7	Up to 1000 Watt	Up to 500 Watt	180 x 45	163 x 30 x 44.81	CE compliance	Yes	CapSense	0°C - 60°C (32°F to 140°F)	1,00,000 Operations	IR remote, Air Home app, Google Home, Alexa	IP20	UL94 FR4
8F2	3 switches and 2 fan regulators with 4 speeds and 1 master control	220-240V AC	5	Up to 1000 Watt	Up to 500 Watt	180 x 45	183 x 45 x 33	CE compliance	Yes	CapSense	0°C - 60°C (32°F to 140°F)	1,00,000 Operations	IR remote, Air Home app, Google Home, Alexa	IP20	UL94 FR4
8M	9 switches with 1 master control	220-240V AC	9	Up to 1000 Watt	Up to 500 Watt	180 x 45	146 x 45 x 28	CE compliance	Yes	CapSense	0°C - 60°C (32°F to 140°F)	1,00,000 Operations	IR remote, Air Home app, Google Home, Alexa	IP20	UL94 FR4

o Union Heights, B-Wing, 8th Floor, Opp. Rahul Raj Mall, Besides Lalbhai Contractor Stadium, Maharana Pratap Road, Piplod, Surat-395 007
